CMC-Union proposes ambulatory care facility in Waxhaw

RALEIGH – Carolinas Medical Center-Union has filed an application with the Certificate of Need Section of the N.C. Division of Health Service Regulation to develop an ambulatory care facility in Waxhaw.

A public hearing for this project will be held at 1 p.m. on March 20 at the Historic Courthouse at 500 N. Main St., Monroe.

The \$20.5-million project will involve the construction of a 21,000-square-foot outpatient facility to be located at the intersection of Providence Road (NC 16) and Gray Byrum Road in Waxhaw in southwestern Union County. Services to be provided at the proposed facility include a 24-hour emergency department, general radiology, ultrasound, computed tomography (CT) scanner, and laboratory.

If approved, CMC-Union proposes to begin construction in January 2009, and complete the project by July 2010.

Anyone may file written comments concerning this proposal. Comments must be received by the Certificate of Need Section no later than March 3 at the following address:

Certificate of Need Section
